2. Opening script (30 seconds)

Call from a quiet place. Stand, smile, say the name.

“Hi, I’m [Name] from Srinamo Farms — farm stay and veg celebration venue at Kilachery, near Sriperumbudur and Kanchipuram. About 60–90 minutes from Chennai. Pool, lawn, rooftop, rain dance, cricket, Gaushala. Pure vegetarian kitchen. I’m building a small preferred-partner list. If you send a family, wedding, or corporate, you get 10 percent on venue and rooms after they pay. Can I send a one-pager and invite you this Saturday 10:30 for lunch and a walk-through?”

If they say they already have venues:

“That’s fine. We are the west-Chennai / Sriperumbudur option when the guest wants veg, sports, and space, not a beach. Keep us for the ones who say Kanchipuram or factory side. I’ll still send the PDF.”

If HR:

“We run a weekday offsite: rooms or day, veg buffet, cricket or Gaushala, 12 percent off on the company invoice. No personal gift. Useful when your plant visitors or L&D need a place that is not a highway hotel. 40 minutes from most Sriperumbudur gates. Can I mail a one-page rate and host 2 of you for a Tuesday lunch?”

3. Follow-up (same day + day 3 + day 10)

- 1 Same day: WhatsApp: 6 photos, PDF, map pin, Saturday FAM time, your name.
- 2 Day 3: “Did you get the PDF? Any date in the next 60 days I should hold unofficially?”
- 3 Day 10: “Last note — if you have a couple who want a pre-wedding sunrise slot, first 3 partners this month get it complimentary.”

Then put them on a 30-day reminder. Stop begging weekly.

4. Lists to build this week (minimum)

Search Google + Instagram + Justdial. Add phone before you call.

Planners / décor (start west and south-west) Porur, Poonamallee, Ambattur, Avadi, Tambaram, Chromepet, Pallavaram, Kundrathur, Sriperumbudur, Kanchipuram, Anna Nagar, Mogappair, Valasaravakkam.

Photographers Search: “wedding photographer Porur”, “Kanchipuram wedding photography”, “outdoor pre-wedding Chennai west”.

Corporate Plant Admin / HR of Hyundai, Foxconn, Samsung, Saint-Gobain, Nokia, Dell, Flex, Jabil, Apollo Tyres; Oragadam supplier parks; Ambattur estate offices that already bus people west.

Kanchipuram Mandapam managers, silk-family event organisers, temple-side stay brokers. Offer Kanchi Halt + rooftop function.

Keep the sheet in Google Sheets so you can call from the phone. Move closed names into the PMS guest/source fields.

5. FAM Saturday run-of-show (3.5 hours)

Time	What
10:15	Water, towel, name stickers
10:30	8-minute welcome: veg kitchen, distances, 3 products
10:40	Walk: rooms (show 2 types only), lawn, rooftop, pool, rain dance, cricket, Gaushala
12:00	Thali. No long speech. Answer “capacity, rain plan, power, alcohol, rooms on wedding night”
13:15	Rate card + commission page. Collect 3 preferred dates they already have in mind
13:45	Photo with the group (they post, you post)
14:00	Cars out. You WhatsApp the pack by 18:00

Never FAM more than 12 people. You want conversation, not a crowd.

6. Objection handling

They say	You say
Too far	“From Porur / Airport / Sriperumbudur it is a known 60–90 / 40 minute drive. We send the pin and a driver note. Guests who want quiet accept it; beach crowd we do not chase.”
No non-veg	“Correct, 100% veg. That is why traditional families, many corporates, and Kanchi guests book us. If they need non-veg we are the wrong venue — we say that in the first minute.”
No beach	“Correct. Lake / farm / Gaushala. Different guest.”
Cheaper mandapam in Kanchi	“They don’t have this room + pool + sports block. We win when they want stay + function together.”
Commission too low	“10% on collected venue+rooms, paid in 7 days, written. We don’t do 20% and then delay.”
Can I bring my caterer?	Use your real rule. Suggested: in-house default; outside only with corkage / kitchen fee, still veg-only.

7. What you send after every good call

A single WhatsApp pack, always in this order:

- 1 6 photos (aerial or lawn, pool, room, food, Gaushala, rain dance)
- 2 PDF one-pager
- 3 Google pin
- 4 Rate card image
- 5 Saturday FAM invite or “send me a date to hold 48 hours”

If you send a 40-image dump, they will not open it.
