5. Content that actually books this land

Shoot these, in this order, and stop filming “generic luxury lobby”:

- 1 Kid feeding a cow, then running to the pool
- 2 Rain dance with families (not a DJ rave)
- 3 Thali close-up, then “100% vegetarian kitchen”
- 4 Box cricket six, parents watching
- 5 Rooftop at dusk, simple engagement décor
- 6 Aerial: lawn + water + rooms
- 7 Night bonfire, no non-veg grill in frame
- 8 Drive-in pin + “40 minutes from Sriperumbudur”

Post 4 times a week. Tamil first on-screen text, English caption.

6. Veg-only: how to say it so you lose the wrong guest early

“Our kitchen is fully vegetarian — no egg, no meat, no fish. Traditional functions, family stays, and corporate offsites that want a satvik kitchen choose us for that reason.”

Put this on the website hero, WhatsApp catalog, OTA house rules, and the first quote email. A lost enquiry here is cheaper than an angry function.
